

# Partner Program

Business Loans from \$25,000–\$5 million

SBA 7(a) Loans | Commercial Real Estate | Term Loans | Non-Revolving Lines of Credit

Today's business owners expect flexible, innovative financing solutions they can apply for anytime and anywhere. Through our partner program, you can provide your business clients with direct access to Lendistry's suite of loan products via a co-branded interface that links our portal to your content.

## Scalable Partnership

- Attract, acquire, and retain business clientele by providing them financing solutions unavailable to them through traditional financing
- Build or expand loan product offerings to meet your business community's rising needs and expectations

## Innovative Technology

- Co-branded landing page and unique link for your clients to access the lending application
- A completely digitized experience where business owners can apply directly from their desktop computer or mobile device, saving you and them valuable time and resources

## Dedicated Team

- Lending specialists will support your business applicants through their application journey
- Phone support available 8:00 am - 5:00 pm PST via the Lendistry Customer Experience Center

## How it Works:

### Get Started:

Ready to make a difference for your clients? Scan the QR code and let's start designing a partnership that will empower their financial growth.

### Implement

Design, customize, and launch! We'll collaborate with you to build a strategic partnership, from initial design to successful implementation.

### Execute

Empower, educate, measure! Take control of your partnership's success. Equip your network, track progress, and unlock continuous growth for everyone involved.
